White and Natural Scandi Café Table

The image shows a modern, industrial-style interior space. In the foreground, there's a long wooden table with a thick top and dark metal legs. Three wooden stools with metal frames are tucked under it. To the left, a large potted plant in a wooden barrel planter sits on a small cart. In the background, there's a bar area with shelves holding various bottles and a counter. The lighting is warm and ambient, with several pendant lights hanging from the ceiling. The overall aesthetic is clean, modern, and rustic.
